

**SIEMENS**

*“SISL provides Vivacadena clients with best in class Application Management and Workflow Monitoring Services and First and Second Line support for global supply chain solutions”*

### SIEMENS INFORMATION SYSTEMS LIMITED (SISL)

SISL is a Siemens entity and part of the Siemens global network of innovation. SISL is a wholly owned subsidiary of Siemens Ltd. - the regional company of Siemens AG in India. SISL is the IT arm of Siemens Ltd. SISL provides IT services and solutions globally.

### SISL - PROVEN PERFORMANCE

Since our inception in 1992, we have grown steadily. Our investments, in quality, people and innovation have produced hugely impressive results. In the last three years we have consistently outperformed the industry. We have grown over 100% in the last 3 years. That makes us among the leading and fastest-growing IT-services company in India. NASSCOM's has ranked us 15 in its Top 20 exporters from India 04-05 listing. Further, in 2005, SISL was featured in Deloitte Technology Fast 50 2005 India, and Technology Fast 500 2005 Asia Pacific.

### PARTNERSHIP WITH VIVACADENA

Siemens Information Systems Limited has been providing its customers with best of breed solutions in various domains. We have identified Vivacadena as a best of breed solution in Supply Chain space and it is a part of our standard offerings.

Partnership with Vivacadena started with SISL providing application management and workflow monitoring services and has now developed into a co-operation across first line support, second line support and implementations. SISL recognizes Vivacadena as a Line of Business and is keen to promote the solution in the region.

### GLOBAL SUPPORT

Siemens Information Systems Limited along with Vivacadena specializes in delivering and implementing comprehensive supply chain solutions and services coupled with a consultancy-led approach to a global clientele. Vivacadena based solutions can be built on existing IT Platforms and can be easily scaled up or down without much cost to existing systems. SISL and Vivacadena enable you to build a responsive and flexible supply chain with direct impact on your profitability.
